Directions and Parking

NOTE: Because the Villa is closed to the public on Wednesdays, we will be entering at the Business Visitor Entrance, not the Main Getty Villa entrance.

From Pacific Coast Highway, turn onto West Sunset Blvd. Less than a mile after the stoplight at Castellammare, turn left onto Los Liones Drive. The turn is just past the nursery and before the Fire Station. At the end of Los Liones Drive veer left and proceed to the Business Visitor and Service Entrance kiosk where a security officer will direct you to the North parking structure.

From there, go to Central Security to get a visitor's badge and be directed to our meeting room.
