**For your consideration:**

**Our ARLIS colleague András Riedlmayer will present “Killing Memory: Cultural Heritage under Fire in the Balkan Wars of the 1990s” as part of the Sterling and Francine Clark Art Institute’s Monuments in Peril Series, Thursday October 15 at 7:00 p.m.**

**The lecture is free and open to the public and we encourage those of you participating in Friday’s meeting to consider scheduling your trip to join us for András’ lecture. There are plenty of hotels and motels in the area to accommodate participants during what will be one of our peak foliage weeks (<http://williamstownchamber.com/lodging/>).**
