

Reference Librarian, Savannah College of Art and Design, Atlanta

SCAD Atlanta seeks a reference librarian to provide service to patrons at the reference desk, in classes and online, and coordinate reference delivery services. The person in this role will also provide bibliographic instruction, library orientations and research workshops to individuals and classes, and prepare reference and instructional materials in print and electronic forms.

M.L.S. from an ALA-accredited program and an undergraduate degree in a subject taught at SCAD are required. Strong public service orientation and experience required. Must be familiar with traditional and electronic information resources and demonstrate a working knowledge of effective search strategies and innovations in library instruction.
